

Dear Tattoo Artist and Exhibitor,

from this year the registration procedure has been updated.

Each artist will receive a link by email to fill in and will have to send the material to be included in the list of participants. We remind you that the registration will be effective upon receipt of the copy of the deposit payment.

To receive the Link you need to apply by sending an email to **urbanland.event@gmail.com**, our team will finalize the procedure.

With the registration you will have the right to artist/supply visibility on our social networks for advertising purposes.

The artist who owns the study or Vendor/Supply that wants to book, will therefore have to deal with the compilation of the documents and the sending of the material.

What to provide:

- 1) **Copy of the qualifying tattoo artist certificate.** Each artist will have to present 2 copies: one to be sent immediately and one to be brought with him on the day of taking possession of the booth in order to exhibit it in case of checks.
- 2) Filling in the required form to our email: **urbanland.event@gmail.com**
- 3) **4 photos** of your works + **1 artist photo.**
- 4) **Copy of the receipt/booth payment transfer.**

It will be necessary to fill in a form for each artist present.

N.B. Each booth is meant by **single** use, therefore 1 tattoo artist and 1 assistant who does not operate will be able to use it; Both will have entered free for the duration of the event via recognition bracelet.
